Online M.Ed. in Curriculum and Instruction with a Concentration in Bilingual Education

Want to pursue your passion for teaching diverse students and expand your impact as a bilingual educator? UTEP’s online M.Ed. in Curriculum and Instruction with a Concentration in Bilingual Education is a dynamic degree program designed to further your knowledge of multicultural and multilingual learning and teaching and equip you with the expertise to build an engaging bilingual learning environment that supports second language learners.

Connect with Your Full Potential
Imagine the vibrant learning environments you can create when you:
• Explore the interrelated components of learning in two languages and understand the cross-cultural issues that impact language acquisition
• Gain the knowledge to develop, implement and evaluate high quality literacy and biliteracy programs

When you choose UTEP for your master’s degree in curriculum and instruction with a concentration in bilingual education you prepare for a rewarding career as an educator, administrator, curriculum specialist or evaluator in multiple settings.

Online M.Ed. in Curriculum and Instruction with a Concentration in Bilingual Education

Admissions Requirements
To qualify for admission into the M.Ed. in Curriculum and Instruction - Bilingual Education program, you must:

- Submit a completed admission application
- Have an undergraduate GPA of 3.00 or greater
- Provide a resumé with your latest work experience and skills
- Write a statement of purpose demonstrating your personal and professional goals as related to the focus of the program

International students whose first language is not English must also submit:

- Official TOEFL (Test of English as a Foreign Language) score of at least 79 on the online version, or 550 on the paper-based version

Admissions factors will be reviewed holistically to assess the potential of the applicant.

Curriculum
The 36-credit online Bilingual Education program requires you to complete 12 semester credit hours of professional development courses and 24 semester credit hours in the bilingual education concentration. Spanish language proficiency is not required to pursue this degree, but students may find that a basic understanding of the language is helpful in some courses.
