Online Graduate Certificate in Technical and Professional Writing

• Learn to use new media channels and technology to enrich communication methods
• Develop content for a wide variety of audiences
• Secure a career in a writing-related profession (technical writer, editor, multimedia specialist, etc.)

Connect with New Opportunities
UTEP’s online Graduate Certificate in Technical and Professional Writing is ideal for graduate students who want to improve their writing skills; the flexible and convenient online format is also well suited to working professionals and military servicemembers.

Curriculum
As a student in the online TPW certificate program, you’re required to complete a total of 12 credit hours (four graduate courses). Courses are as follows:

- RWS 5312  Technical Writing
- RWS 5313  Grant Writing
- RWS 5315  Professional Writing
- RWS 5317  Editing

NOTE: You may be classified as a non-degree seeking student or have the certificate program incorporated into your degree requirements for admission. If you successfully complete the TPW certificate program and decide to pursue a graduate degree at a later date, you may apply to the Rhetoric and Writing Studies master’s program and request that the units become part of your program upon admission.

Admissions Requirements
• Graduate school application
• Official transcripts
• Statement of purpose
• Bachelor’s degree
• Minimum 2.5 GPA
